NAŠA ZONA KOMFORA OUR COMFORT ZONE

Zahvaljujući dobrom osećaju za savremeni dizajn enterijera, ali i tehnologiju kvaliteta, linija ležajeva Forma Ideale za 2020. godinu je uspela da dostigne visoke funkcionalne performanse kojima se predstavlja tržištu. Kolekcija ležajeva Forma Ideale za 2020. godinu kompatibilna je sa različitim savremenim konceptima uređenja enterijera kako manje, tako i veće prostranosti. Jedinstven dizajn novih modela, pažljiva selekcija materijala, aktuelnih boja i dezena, doprinela je estetskom iskoraku ka visokim standardima dizajniranja tapaciranog nameštaja. Njihova upotrebna praktična vrednost posebno je izražena kroz mehanizam rasklapanja, kojim se zadržava korisna površina za san i odmor, bez dodatnih prostornih zahteva, kao i mogućnost odlaganja posteljine.

U kolekciji tapaciranog nameštaja predstavljeno je 13 modela ležajeva. Neki od njih su već zauzeli svoje mesto na tržištu tapaciranog nameštaja i zaslužno ostali u ovogodišnjoj kolekciji Forma Ideale, kao što su: TEO, FANTASTICO PLUS, SANTOS, VEGA, TANGO, KRON, TIVOLI i MARBO. Pored ranije predstavljenih modela predstavljeni su i novi, atraktivni, modeli ležajeva koji zadovoljavaju visoke standarde kvaliteta i praktičnosti u ovoj kategoriji tapaciranog nameštaja, kao što su ležajevi: SVEN, DANTE, MONDO, ALBAK i GARDA.

Thanks to a great sense of modern interior design and quality technology, the Forma Ideale sofa collection for 2020 has been able to achieve high functional performance that it presents to the market. The Forma Ideale sofa collection for 2020 is compatible with a variety of contemporary concepts of interior design regarding both smaller and larger space. A unique design of the new models, careful selection of materials, and modern colours and patterns have contributed to the aesthetic step towards high standards of upholstered furniture design. Their practical value is particularly evident in the folding mechanism, which expands the surface for sleep and rest, without requiring additional space, as well as offering the possibility of storing linen.

The upholstered furniture collection features 13 sofa models. Some of them have already taken their place in the market of upholstered furniture and deservedly remained in this Forma Ideale collection, such as TEO, FANTASTICO PLUS, SANTOS, VEGA, TANGO, KRON, TIVOLI and MARBO. In addition to the previously introduced models, some new and attractive sofas that meet the high standards of quality and practicality in this category of upholstered furniture have been presented, such as SVEN, DANTE, MONDO, ALBAK and GARDA.

UGAONE GARNITURE

Corner Sets

**ZA RELAKSIRAJUĆI ŽIVOTNI PROSTOR
FOR A RELAXING LIVING SPACE**

Nova kolekcija ugaonih garnitura Forma Ideale je, pored potrebe da zadovolji kriterijum prostorne funkcionalnosti, posebno inspirisana modernim dizajnom, kako u pravilnoj i jednostavnoj liniji, tako i u izboru materijala, dezena i boja. Novi modeli usklađeni su sa relaksirajućim doživljajem kvalitetno i savremeno opremljenog životnog prostora u kome je udobnost neizostavan zahtev. Pored udobnosti, kolekcija ugaonih garnitura Forma Ideale 2020. godine zadržala je još jedan od ključnih benefita, a to je transformisanje

garniture u ležaj, tj. mogućnost prilagodljivosti dnevne sobe dodatnoj zoni odmora i sna, koja je potrebna svakom savremenom domu i svakoj savremenoj porodici.

U ovoj kolekciji ugaonih garnitura predstavljeni su novi modeli: RAVENA, TOLEDO, SAVOJA, GRANADA i BELKANTO, ali i neki ranije prezentovani, a sada već nezaobilazni, modeli na tržištu, kao što su: INES, ASTORIA, PRESTON, PALOMA i GALIJA LUX.

In addition to the need to satisfy the criteria of spatial functionality, the new collection of Forma Ideale corner sets is especially inspired by modern design, both in straight and simple lines, as well as in the selection of materials, patterns and colors. The new models are in line with the relaxing experience of well equipped and modern living space where comfort is an essential requirement. In addition to comfort, the collection of Forma Ideale corner sets for 2020 has retained one of its key benefits, namely the transformation of the set into a bed,

ie. the possibility to transform the living room into an extra rest and sleep zone that every modern home and every modern family needs. This corner set collection features the following new models: RAVENA, TOLEDO, SAVOJA, GRANADA and BELKANTO, as well as some previously introduced, and now already indispensable models on the market, such as INES, ASTORIA, PRESTON, PALOMA and GALIJA LUX.

FRANCUSKI LEŽAJEVI

Double Beds

MESTO MIRA I SIGURNOSTI A PLACE OF PEACE AND SAFETY

Kolekcija francuskih ležajeva Forma Ideale 2020 inspirisana je modernim dizajnom koji odiše odmerenošću i luksuzom, mirom i sigurnošću. Spavaća soba, kao mesto na koje se rado vraćamo kada nam je potrebna oaza mira, predstavlja važan deo savremenog doma, a neizostavan segment nameštaja u svakoj spavaćoj sobi je upravo francuski ležaj. Pored toga što mora biti stabilan i udoban, mora da zadovoljava i zahteve praktične upotrebne vrednosti, pre svega mogućnosti raznovrsnog prostornog pozicioniranja. Upravo zbog toga francuski ležajevi se izrađuju u fleksibilnim dimenzijama širine, pa je tako francuski ležaj FALCO, već zastupljen u dimenziji širine 160 cm, dobio i svoje pojačanje u ovogodišnjem asortimanu u vidu francuskog kreveta

FALCO 180 (širine 180 cm), a koji će upravo zbog izmenjenih dimenzija pronaći svoje mesto na tržištu. U okviru nove kolekcije tapaciranog nameštaja Forma Ideale 2020 ističe se i izuzetno funkcionalan i moderan model PEGAZ, dok se model DIEGO javlja u dve kombinacije, kao DIEGO BASE - baza francuskog ležaja i DIEGO - francuski ležaj sa dušekom (box spring).

Od francuskih ležajeva Forma Ideale, već poznatih tržištu, u asortimanu ostaje model KING, koji je zahvaljujući savremenom dizajnu, dezenima i funkcionalnosti već stekao svoje mesto na tržištu.

The Forma Ideale double bed collection for 2020 has been inspired by a modern design that exudes moderation and luxury, peace and security. Bedroom, as a place we gladly come to when we need an oasis of peace, is an important part of the modern home, and a double bed is an indispensable piece of furniture in every bedroom. In addition to being stable and comfortable, it also has to meet the requirements of practical value, primarily the possibility of diverse spatial positioning. This is why double beds are made with flexible width dimensions, so the FALCO double bed, already available in the width of 200 cm, has received its companion in this year's assortment in the form of the FALCO 180 bed (width: 180 cm), which will find its place in the market precisely because of its different dimensions.

Within the new collection of Forma Ideale upholstered furniture for 2020, an extremely functional and modern model PEGAZ stands out, while the DIEGO model comes in two combinations, as DIEGO BASE - double bed base and DIEGO box spring.

Out of the Forma Ideale double beds already known to the market, which will remain in the assortment, it is important to mention the KING model, well known to the market due to its modern design, patterns and functionality.
